

Postgraduate Programme for Practising Engineers

PREAMBLE

In order to open a window of opportunities to practicing engineers, the Institution offers postgraduate programme to its Graduates and corporate members in selected engineering disciplines in collaboration with Birla Institute of Technology (Deemed University), Mesra (Ranchi). This programme facilitates the members to widen their knowledge and acquainting them with new and emerging technologies to upgrade competence in the competitive industrial environment.

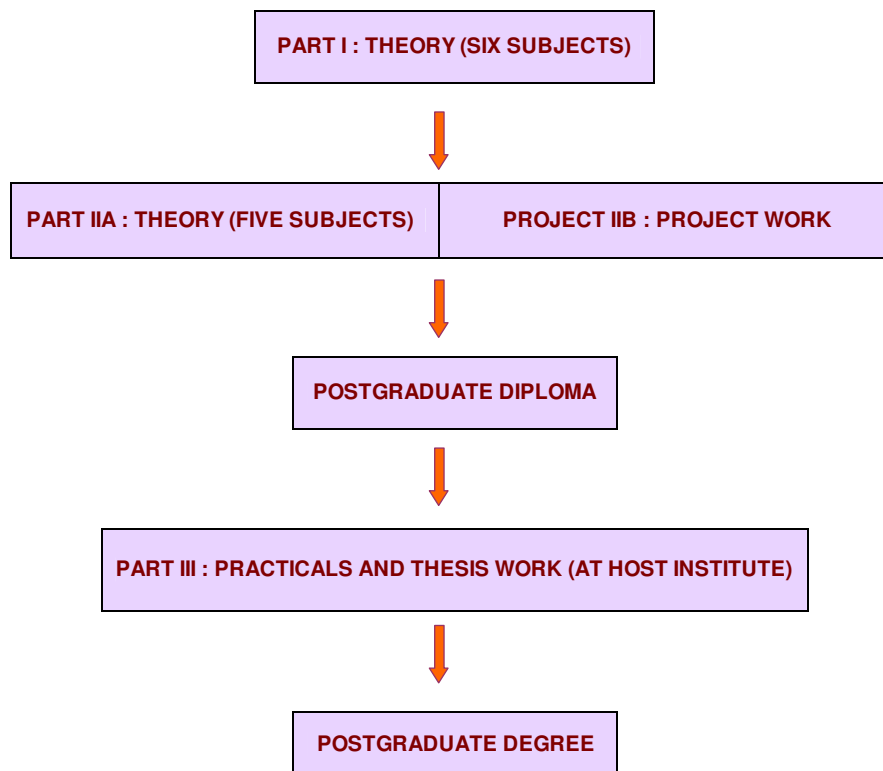

ELIGIBILITY

Graduates and corporate members secured minimum 60% marks in B.E./B.Tech/Sections A and B of the Institution Examinations, with minimum three years academic/industrial experience, are eligible for registration of the Postgraduate Degree Programme in the respective engineering discipline. Persons not fulfilling the stipulated percentage criteria would be eligible for Postgraduate Diploma Programme only.

Non-members are expected to first apply for membership in the appropriate grade by submitting his membership form with requisite fee. Only after election as member, they would be eligible to register for Postgraduate Programme.

POSTGRADUATE PROGRAMME

A schematic representation of the postgraduate programme is given below :

The examinations in Parts I and II are conducted by the Institution to award **Postgraduate Diploma**. Part III of the programme is required to be pursued at Birla Institute of Technology, Ranchi (host institute) for award of '**Postgraduate Degree**'.

EXAMINATION

The examination shall be conducted twice in a year around April and October. Examination in each subject shall be of three hours duration. Candidates registered for the programme shall be eligible to appear at the examination. Each applicant should submit the Examination Form within the specified date along with the prescribed examination fee in the form of demand draft only. A registered candidate for Part I or Part IIA shall be permitted to appear at an examination in one or more subjects but not exceeding three subjects at a time.

No candidate shall be allowed to appear in any subject of **Module II** without passing **Module I** completely. The examination will be conducted at Chennai, Delhi, Hyderabad, Kolkata, and Nagpur.

RULES AND PROSPECTUS

Rules and Prospectus booklet, containing general information about registration, eligibility, examination rules, list of subjects in Part I and IIA, schedule of fee, registration form for Part I Examination, etc. is available on demand at Headquarters of the Institution at Kolkata or at any State/Local Centre of the Institution.

MODE OF APPLICATION

Interested persons fulfilling the required criteria may apply for a copy of 'Prospectus & Rules' in the attached proforma, enclosing a demand draft of Rs. 100/- in favour of 'The Institution of Engineers (India)' payable at Kolkata.

-----x-----
Please send the attached requisition form along with remittance mentioned therein to :
The Secretary and Director General
The Institution of Engineers (India)
8 Gokhale Road, Kolkata 700 020
