**Research Fellowship Programme**

**GENERAL GUIDELINES FOR FELLOWSHIP**

**PROPOSALS ARE INVITED FROM FULL TIME M.TECH/PhD SCHOLARS OF GOVERNMENT & SELF-SUPPORTING ENGINEERING AND TECHNICAL INSTITUTIONS FOR FINANCIAL SUPPORT IN THE FORM OF FELLOWSHIP UNDER GRANT-IN-AID SCHEME.**

**Eligibility Criteria**

- 1) Proposals from Members and Institutional Members will be preferred. It is expected that the applicant's Institution is an **Institutional Member** of **The Institution of Engineers (India)**. The Guide/s must be a **Corporate Member** of IEI. For details please visit [www.ieindia.org](http://www.ieindia.org). The student should apply for Corporate Membership (if not already a Corporate Member) once they becomes eligible to receive 'Fellowship' under IEI R&D Grant-in-Aid Scheme. Please see the checklist and guidelines of application for membership provided below, before proceeding with submission of proposal. IEI is authorized to make any exception to the above.
- 2) The proposals should preferably be industry relevant and have in-kind or cash support from the industry partners or those having potential to lead to an entrepreneurship venture or a start-up model. Thematic focus on green energy, clean water, waste-to-energy conversion, versatile simulation, urban rejuvenation, skill development in design and manufacturing will be given due weightage.

**Quantum of Fellowship**

The quantum of fellowship is @ Rs 10,000/- per month usually for a period of 12 months extendable by six months subsequently for maximum two terms, subject to total duration not exceeding 24 months. Extension may be considered only on valid grounds and the decision of IEI will be final and binding.

The entire amount will be transferred to the account of Principal/Director/Registrar/Dean (R&D) of the concerned Institute/University who will be responsible for periodic release of the grant to the applicant on a monthly basis. IEI may like to withdraw the entire amount if monthly progress report ([Annexure-I](#)), duly sealed and signed, is not received from the beneficiary.

**Dos and Don'ts**

**Submission of Monthly Progress Report and Research Completion Report**

The student must submit monthly progress report ([Annexure-I](#)) endorsed by the Guide based on which next installment of fellowship may be released. Besides, the proposed research work has to be completed and final report in appropriate format ([Annexure-II](#)) has to be submitted within the scheduled completion of course of the student.

Any intentional delay or non-submission of reports in time may result into debarring the institute, the guide/s and the student/s to avail any such scheme under IEI in future. IEI shall have the discretion to take any other action as deemed fit in such cases.

It is expected that PG & Ph.D students must submit a paper in the IEI-Springer Journals arising out of their work funded through IEI R&D Grant-in-Aid Scheme.
