The Institution of Engineers (India)

About The Institution of Engineers (India)

The Institution of Engineers (India) is the largest multi-disciplinary professional body of engineers with 15 engineering disciplines and over 2,00,000 Corporate Members in India and abroad. The Institution was established in 1920 and was incorporated by Royal Charter in 1935. In order to provide special attention to some of the important national issues, in addition to engineering disciplines, it has established special vehicles of focus. Engineering Staff College of India (ESCI), National Design & Research Forum (NDRF), Rural Development Forum (RDF), Safety & Quality Forum (SQF), Sustainable Development Forum (SDF), Water Management Forum (WMF) and National Skill Development Forum (NSDF) are such focused initiatives. The Institution is a widely admired name in international arena in the field of engineering and technology being a member of World Federation of Engineering Organizations (WFEO), Federation of Engineering Institutions of South & Central Asia (FEISCA), Federation of Engineering Institutions of Asia and Pacific (FEIAP) and International Engineers Alliance (IEA). With its large international linkages and a network of 125 Centres in India and 6 Overseas Chapters, the Institution has built up wide reach and large infrastructure to meet its objectives of promoting engineering in all aspects. IEI is authorized to operate Indian Section of the International Professional Engineers (IntPE) Register under International Professional Engineers Agreement (IPEA). All eligible Indian engineers can now apply for International Professional Engineers (IntPE) Certification through IEI only.

Preamble

The engineering sector reforms with Government and private funding results growth in engineering & technological services and applications in multitude. Users demand and requirement on a growth trajectory with huge commercial potential leads to greater opportunity of the country in the global perspective. Technology and innovation are the bedrock of the vibrant MSME's ecosystem and start-ups, which act as a perennial source for nurturing technologies.

Objective

To recognize and promote the industry leaders in the domain of start-up initiatives in

Agriculture	Aeronautics	Aerospace & Defence	Apparel & Accessories	Biotech- nology	Bio Medical Engineering	Business Analytics
Big Data	Blockchain Technology	Consultancy Services	Construction industry & construction materials	Civil and Architecture	Chemical Process Industry	Cyber Security
Customer Support	Dairy Farming	Digital Marketing	Data Science	3D Printing	Food Technology	Footwear
Environmental Services	Green Technology	Healthcare & Life Science	Infrastructure	Industrial Automation	Machine Learning	Manufac- turing
Network Technology Solutions	Product Design and Development	Research & Development	Renewable Energy	Robotics	Supply Chain Management & Retail	IT
Telecommunication & Networking	Textile	Web Design	Waste Management	Warehous- ing	Logistics	Transporta- tion

and so on.

Criteria

The start-up organizations in Engineering, Consultancy Services, Construction industry, Healthcare, Utility Services, IT & Telecommunication etc are eligible to apply. The applicant organization should be registered with the Department for Promotion of Industry and Internal Trade (DPIIT), IN-SPACe, ISRO, Ministry of MSMEs, Government of India, Industrial Development Corporation of the concerned State Government.

Modalities for the Award

The Award is 'application based' and every engineering industry/start-up in the country is welcome to participate. Awards will be given to industry/industries selected on the basis of assessment report of the IEI Industry Excellence Award Committee and the recommendations of the Committee is final and binding.

Assessment Process

The assessment of the applications will be obtained by the IEI Industry Excellence Award Committee, based on the weightage of the data mentioned in the application.

Application Process

The application has to be sent as per the enclosed format, which may also be downloaded from the website of IEI (www.ieindia.org), along with the requisite application fees. The application with supporting documents is to be submitted in two hard copies along with a soft copy in a CD/Pendrive addressed to

Director (Technical)
The Institution of Engineers (India)
8 Gokhale Road, Kolkata 700020

Application Fee

The Application Fee is Rs 15000/-, 18 % GST will be applicable extra.

Application fee is non-refundable

Payments to be made by cheques/drafts drawn in favour of "The Institution of Engineers (India)". Transfer through NEFT/RTGS will be also accepted. Bank account details for the said purpose are as under:

Particulars Particulars	Details	Particulars	Details	
Name of the Institution	THE INSTITUTION OF ENGINEERS (INDIA)	Type of Account	SAVINGS BANK	
Address of the Institution	8 GOKHALE ROAD, KOLKATA 700 020	Branch Code	005	
Account Number of the Institution	005010100002704	Email ID of the Institution for advice of payment by Bank	iea@ieindia.org	
IFS Code of the Bank Branch for NEFT / RTGS mode	UTIB0000005	PAN of the Institution	AAATT3439Q	
Name and address of the Bank Branch (where payments are to be sent by Applicant)	AXIS BANK LTD, KOLKATA MAIN BRANCH, 7 SHAKESPEARE SARANI, KOLKATA 700 071	GSTIN of the Institution	19AAATT3439Q1ZR	
9 Digit MICR code of the Branch (as appearing on the MICR cheque)	700 211 002			

Last Date

The last date for receiving applications, complete in all respect is 20 November, 2023.

The Award

The Award consists of Plaque and Citation.

Disclaimer

IEI will take every care to protect the confidentiality of the assessment process. Information provided in the application will be made available only to the assessors and concerned persons. However, IEI takes no responsibility if the information is shared by any of the persons involved in the process. IEI will retain all the documents furnished to facilitate assessment of the application. The applicant company will be held solely responsible for the information furnished in the application form and for their factual correctness.
