

The Institution of Engineers (India)

"A Century of Service to the Nation"

One Day Seminar on
**"ENGINEERING CONTRACTS - AVOIDANCE OF
DISPUTES FOR HARMONIOUS GROWTH"**
on Monday, 20th June, 2022

Organized by

The Institution of Engineers (India)
Telangana State Centre

Under the Aegis of
Interdisciplinary Coordination Committee, IEI

in association with

INDIAN INSTITUTION OF TECHNICAL ARBITRATORS
Telangana & AP States Centre

Venue: "Visvesvaraya Bhavan", Khairatabad, Hyderabad

THE INSTITUTION OF ENGINEERS (INDIA)

The Institution of Engineers (India) is the largest multidisciplinary professional body encompassing 15 engineering disciplines with about 8 lakh membership and gives engineers a global platform for sharing professional interest and information. IEI was established in 1920, with its HQs at Kolkata and incorporated in 1935 by Royal Charter. It is the only professional body in India accorded this honour and serving the engineering fraternity for more than a century. Today, its quest for professional excellence has given it a place of pride in almost every prestigious and relevant organization across the globe. It provides a vast array of technical, professional and supporting services to the Government, Industries, Academia and the Engineering fraternity, operating through its 125 Centres located across the country and 6 overseas chapters. Besides, IEI has bilateral agreements with about 31 international bodies and membership of another 8 international bodies of the developed nations across the globe.

THE INSTITUTION OF ENGINEERS (INDIA), TELANGANA STATE CENTRE

The Telangana State Centre (ISO 9001-2015 Certified) is the legacy of erstwhile Nizam's Hyderabad State Centre, formed on 28th August 2016 after bifurcation of AP State centre. It has 10,039 corporate members on its holds and 19,000 plus non-corporate members in its fold. It is one of the most active centers of The Institution of Engineers (India) which engaged successfully in translating the objectives and mission of IEI in to practice and bagged Best state centre award for 2018-19 and 2019-20. The Telangana State Centre has been playing a very important role in dissemination of information on engineering and contemporary technology bringing industry, academia, experts and professionals together on same platform.

INDIAN INSTITUTION OF TECHNICAL ARBITRATORS, TS & AP CENTRE

Established in the year 2003, The Indian Institution of Technical Arbitrators, (IIT Arb.) with its Headquarters at Chennai, is a non-profit, professional body of Engineers and Architects, registered under Societies Registration Act, 1975. IIT Arb. has 8 State Centres located across length and breadth of the country. The main objective is to popularize Arbitration as a cost effective and speedy alternative method of resolution of commercial disputes. Also IIT Arb. is actively involved in imparting training in various aspects of Arbitration by conducting short term courses, seminars, workshops, in-house programmes etc. besides carrying out research in Arbitration. IIT Arb having its own rules administers the Institutional Arbitration with many professionally qualified and experienced arbitrators empaneled. IIT Arb TS& AP States Centre located at Hyderabad has eminent members consisting of professionals, engineers at senior levels from State and Central Govts. besides engineers from PSUs, techno legal professionals and consultants.

ABOUT THE THEME

Engineering contracts are key to the development of Infrastructure. For successful and timely completion of projects, dispute avoidance is of paramount importance. Presently Construction Industry is riddled with prolonged litigations and disputes. As per an estimate, disputes amounting to approx. Rs. One Lakh crores are pending in Arbitral Tribunals, DRBs (Dispute Resolution Boards) and in various Courts. The Infrastructure development and ambitious plans for economic growth are severely hampered by such disputes with enormous magnitudes. Avoidance of disputes in engineering Contracts and disputes curtailment is the need of the hour to pave the way for harmonious growth of the industry which will eventually drive the economic growth. It is proposed to organize a one-day Seminar on the above topic jointly by IEI TS Centre jointly with IIT Arb AP & TS Centre at Hyderabad. Technological Professionals with expertise in arbitration, dispute

resolution will participate in deliberations sharing their knowledge and experience.

OBJECTIVES:

The Seminar is aimed at achievement of technical and professional growth to pave way for improving issues related to Engineering Contracts for harmonious growth in the construction Industry through intensive technical and arbitral content with mutual interactions. The participants, who are industry professional consultants, practicing technical arbitrators, officials from government department and representatives from construction companies will be immensely benefited from the proceedings of the seminar. The expert talks, discussions from various stakeholders will also be organized as part of proceedings aiming at establishing liaison between institutions, it's members and policy makers.

SEMINAR TOPICS:

1. Ambiguities in Engineering Contracts
2. Incorporating effective Dispute Resolution Procedures
3. Fair Contract administration in construction projects
4. Delays and EOT related issues in Engineering Contracts
5. Diagnosing Performance issues and timelines

CALL FOR PAPERS:

All interested participants are requested to contribute technical/ research papers and case studies detailing concept, innovation, idea or practical experiences for oral as well a poster presentation. Each paper should begin with a synopsis of about 200 words and should be limited to 6 typed pages in A-4 size papers including text, figures and tables etc. A brief bio-data (not more than half a page, affixing a photo) of the author(s) should accompany the paper.

Last date for submission of Full Paper: **14.06.2022**

THE PROGRAMME SCHEDULE (20.06.2022):

09.30 am – 10.00 am	Registration
10.00 am – 11.30 am	Inaugural Function
11.30 am – 11.45 am	Tea
11.45 am – 01.00 pm	Technical Session – I
01.00 pm – 02.00 pm	Lunch
02.00 pm – 04.15 pm	Technical Session – II
04.15 pm – 04.30 pm	Tea
04.30 pm – 05.00 pm	Valedictory Function

PARTICIPATION:

Professionals from various organizations, Construction Industry, Educational Institutions, Consultancy Organizations, officials of State & Central Government and NGO's are invited to participate in the deliberations of the Seminar. This will enable them to meet the challenges in administering the engineering contracts for the Infrastructure projects.

REGISTRATION: Free

CERTIFICATE FEE: Rs. 500/-

(Certificate is optional and will be provided only upon request)

SPONSORSHIP:

Organizations interested to sponsor various activities are requested to the details of Sponsorship along with A/C payee Cheques / RTGS / NEFT in favour of "The Institution of Engineers (India), Telangana State Centre" Payable at Hyderabad for appropriate amount.

PAYMENTS:

All payments are to be made through A/C payee cheque / RTGS/ NEFT

BANK ACCOUNT DETAILS:

1. Name of the Beneficiary:
The Institution of Engineers (India), Telangana State Centre
2. Name of the Bank & Branch:
Canara Bank, MCB, Khairatabad, Hyderabad – 500 004
3. Account No.: **110038604708 / Saving Account**
4. IFSC Code: **CNRB0013438**

SPONSORSHIP:

Golden Patrons Rs 2,00,000/-
Silver Patrons Rs 1,00,000/-

The name of the Organization / Company for Golden & Silver Patrons will be displayed and advertised prominently during the seminar and in the Souvenir.

Advertisement in Souvenir:

- Rs 50,000/- (On Back Cover, in Colour)
- Rs 40,000/- (Inside Front Cover, in Colour)
- Rs 40,000/- (Inside Back Cover, in Colour)
- Rs 20,000/- (Full Page, Black & White)
- Rs 10,000/- (Half Page, Black & White)

(All amounts inclusive of GST @18%)
