Call for Nominations for IEI-IEEE Joint Award for Engineering Excellence 2019

Last date of submission: 31 October, 2019

Dear Fellow Members of The Institution of Engineers (India)

It is our great pleasure to inform you that The Institution of Engineers (India), (IEI) and the Institute of Electrical and Electronics Engineers, (IEEE, India) have come together under the IEEE Joint Award with National Societies (JANS) initiative to institute a prestigious award for engineering excellence in various fields of engineering and technology. This National Level Award will recognize engineering excellence with benefit to society in the Electrical Engineering Fields and related Technical Areas. The Award would recognize the **outstanding individual contribution** either in the Government, Industry, Academia, or Research and Development organizations. Work done in India will only be considered for the Award. The contribution can be in the form of innovative products and services, education, research or any other form of serving the community at large by his/her works.

This Award comprises a medal and a certificate. The Awardee will be shortlisted by eminent Jury comprising experts from IEI and IEEE, India. The annual award will be presented jointly by The IEI and IEEE, India at a joint event that would be identified by the Leadership of the two professional societies.

The past awardees include Dr. G Satheesh Reddy, Scientific Adviser to Raksha Mantri, Government of India, Dr. M Annadurai, Director ISAC, Prof Anurag Kumar, Director, Indian Institute of Science and Prof Bhargab B Bhattacharya, ISI.

More information can be found at <https://www.ieee.org/about/awards/joint-awards-est.html#India>

Nominations will be accepted till **31 October 2019**, and find attached the Nomination Form which will also be available on the websites of IEEE Bangalore Section and The Institution of Engineers (India).
