

## The Institution of Engineers (India)

Keeping the interests of the working diploma engineers, The Institution of Engineers (India) is planning to conduct the Sections A & B Examinations with a frequency of three times in the year 2021 to align with the prevailing examinations cycle of IEI and to give benefits to the candidates for their lost opportunities.

The schedule for the next cycle of examinations in the calendar year 2021 is as follows:

<b>Winter 2020</b>	<b>:</b>	<b>March-April 2021</b>
<b>Summer 2021</b>	<b>:</b>	<b>First week of August 2021</b>
<b>Winter 2021</b>	<b>:</b>	<b>Second week of December 2021</b>

The time table/schedule for the examinations will be available in due course under Academics in the notice board in [www.ieindia.org](http://www.ieindia.org)
