

The Institution of Engineers (India)

Engineering
education
excellence
Award

2023

Preamble

The Institution of Engineers (India) [IEI] over the past 100 years has established its rich legacy towards the cause of promotion and advancement of the science, practice and business of Engineering through a multitude of activities. The number of academic institutions offering a degree or equivalent program in engineering/ technology has grown up significantly over the last few years. There is a need to identify the leading Engineering Educational Institutions for others to provide better and effective engineering education to the seekers. In view of the above, it has been decided to institute '**Engineering Education Excellence Award 2023**' with the prime objective of recognizing the best Educational Institutions in the field of engineering & technology across the country. The award will be given away during the 38th Indian Engineering Congress.

Role of The Institution of Engineers (India)

IEI has been playing a critical role in defining excellence and setting up benchmarks for upliftment of engineering education. The Department of Scientific & Industrial Research, Ministry of Science & Technology, Govt. of India has recognized it as a Scientific & Industrial Research Organization (SIRO) by virtue of its contribution in the area of scientific and industrial research. IEI was the only Accreditation Body in the country before the formation of AICTE in 1987 and NBA in 1994 and hence it is strategically positioned in developing and establishing the standards which would serve as a sieve for filtering out the best educational Institutions in engineering & technology.

Categories of the Award

With a view to promote the Engineering Education, award would be given under the following categories:

Category-A : Engineering Education Excellence Award - Engineering College / Institution

Category-B : Engineering Education Excellence Award - Polytechnic (including Women)

Category-C : Engineering Education Excellence Award - Women Engineering Institution / College

Assessment Process

The assessment of the applications will be carried out at two levels as follows:-

Level-I: The first level of assessment would be carried out by a committee based on the weightage given to different items in the application proforma. The shortlisted applications will then be selected and presented to the Jury/Award Committee.

Level-II: The second and final level of assessment would be carried out by the Jury Board/Award Committee. The decision of the Jury/Committee would be communicated to the selected Awards winners. The decision of the Jury shall be final and binding.

Essence of Award

The main purpose of instituting the Awards is:-

- Gain recognition and celebrate hard work and achievements of the Institutions/Universities
- Boost up the morale of workplace of Institutes/University and encourage further innovations
- Sharing the best practices and learn from others
- Grow the academic & research network with other stakeholders

Application Process

The application has to be sent as per the proforma, which can also be downloaded from the website of IEI (www.ieindia.org), along with the requisite application fees. **The application is to be submitted in four hard copies along with a soft copy in Pendrive / CD addressed to**

Director (EEA)
The Institution of Engineers (India)
8 Gokhale Road, Kolkata 700020
Email: eeeaward@ieindia.org

Application Fees

The Application Fees (Non-refundable) for the Awards is given below:-

Category	Non Institutional Member of IEI	Institutional Member of IEI
Category A & Category C	₹ 40,000 (+18% GST)	₹ 30,000 (+18% GST)
Category B	₹ 15,000 (+18% GST)	₹ 10,000 (+18% GST)

Mode of Payment

Payments to be made by cheques/drafts drawn in favour of "The Institution of Engineers (India)". Transfer through NEFT/RTGS will be also accepted. Bank account details for the said purpose are as under:

Particulars	Details	Particulars	Details
Name of the Institution	THE INSTITUTION OF ENGINEERS (INDIA)	Type of Account	SAVINGS BANK
Address of the Institution	8 GOKHALE ROAD, KOLKATA 700 020	Branch Code	005
Account Number of the Institution	005010100002704	Email ID of the Institution for advice of payment by Bank	eeeaward@ieindia.org
IFS Code of the Bank Branch for NEFT/RTGS mode	UTIB0000005	PAN of the Institution	AAATT3439Q
Name and address of the Bank Branch (where payments are to be sent by Applicant)	AXIS BANK LTD, KOLKATA MAIN BRANCH, 7 SHAKESPEARE SARANI, KOLKATA 700 071	GSTIN of the Institution	19AAATT3439Q1ZR
9 Digit MICR code of the Branch (as appearing on the MICR cheque)	700 211 002		

Last Date:

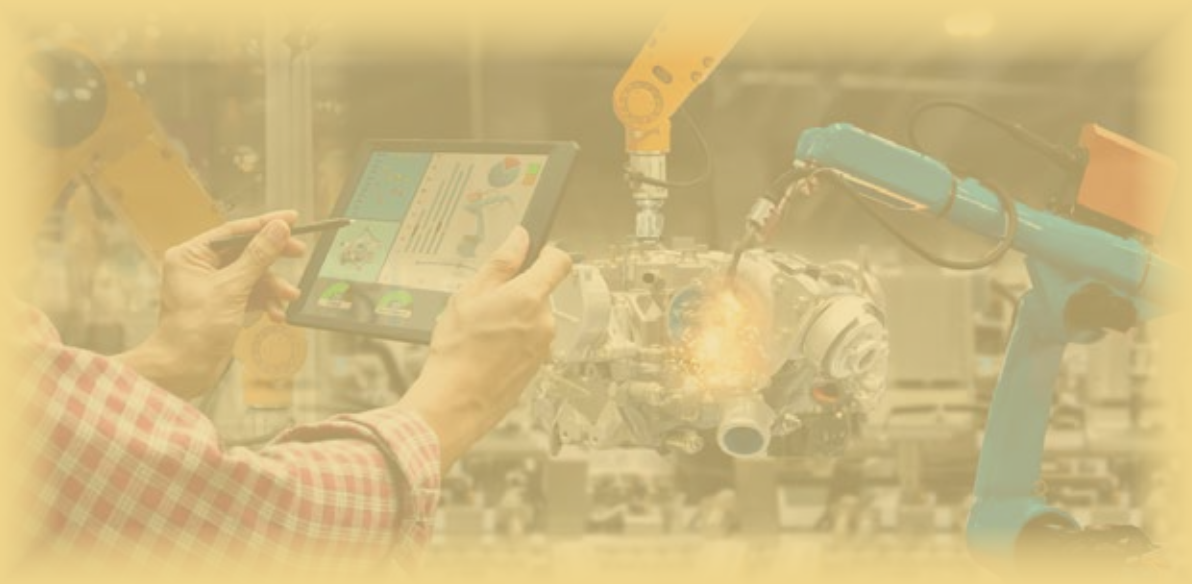

The last date of receiving the application, complete in all respect is **31 October 2023**.

The Award comprising **Certificate of Appreciation** and a **Plaque** will be presented to the Awardees during the 38th Indian Engineering Congress likely to be held in the month of December 2023.
