### Technical Activities in collaboration with Engineering Institutes

The Institution of Engineers (India) or IEI is the largest multidisciplinary professional body that encompasses 15 engineering disciplines and gives engineers a global platform to share professional interest.

The Institution of Engineers (India) extends financial assistance to its Institutional Members (IMs) for organizing Technical Activities at Regional/ National/ International Level in various fields of engineering in collaboration with The Institution of Engineers (India).

#### **Guidelines:**

1. The duration of the programme will be of minimum 2 days.
2. Proposals will come from the Head of the Academic Institute at least 6 months prior to the programme.
3. The logo and name of IEI have to be displayed in a befitting manner in brochure, banners, Proceedings and it has to be mentioned that the programme has been conducted "In collaboration with The Institution of Engineers (India)".
4. Maximum Rs.20,000/- may be approved as sponsorship per programme for organizing maximum 2 nos. of such activities by the IM in a financial year.
5. The minimum no. of fresh membership enrolments from the college during the same Financial Year should be 50 out of which at least 40 should be Student Members (SMIE) till the date of application for the grant.
6. Grant will be released to the IM after receipt and proper scrutiny of the activity reports and all other relevant documents.
7. The proposal for the activity along with the completed form has to be sent by email/ hard copy to:

Director (Technical)  
The Institution of Engineers (India)  
8 Gokhale Road, Kolkata
